Empowering Leaders to Succeed with Confidence and Impact

Additionally, Joelle leads LRI's **Leadership Circles Program™** in companies worldwide – a program designed to attract, retain, and advance talented leaders. Leadership Circles has impacted thousands of leaders in over 20 countries. At Capital One, half of the participants were promoted; at Adobe, retention rose over 25%.

Leadership Circles also generates financial benefits for organizations. A recent analysis showed an ROI exceeding \$476M in revenue and \$34M in cost savings when participants' financial gains were analyzed for just one program in one year. It has been featured in both Fortune and Forbes and has been credited with helping companies become Best Places for Women to Work.

“ Joelle has an engaging style. She keeps things interesting and more at an invigorating pace while leaving plenty of “breathing space” to reflect on the material and ask questions. The workshop was practical and helpful. Very beneficial!
